5. Fire-Fighting Measures

Fire risk: Non flammable

6. Accidental Release Measures

Product may cause slip hazard. Dispose of as waste. Do not contaminate waterways.

7. Handling and Storage

EYES: Avoid prolonged / repeated contact. Wear goggles/visor if splashing is possible.

OTHER: Store below 50 deg C.

SKIN: Wear gloves during prolonged use.

INHALATION: Wear respiratory protection if confined / poorly ventilated.

8. Exposure Controls/Personal Protection

No OES/OEL information is applicable to this product.

SKIN: Gloves, overalls.

EYES: Goggles.

INHALATION: Facemask.

FACE SHIELD

GENERAL PURPOSE GLOVES

PROTECTIVE CLOTHING

9. Physical and Chemical Properties

Appearance & odour: Brown wax.

PH value: 8.4

10. Stability and Reactivity

No known reaction with any other product.

11. Toxicological Information

None available

12. Ecological Information

No information is available on the specific biodegradability of this preparation.

13. Disposal Considerations

Constitutes a special waste. Licensed waste contractor to dispose of any waste.

14. Transport Information

Not classified as hazardous for transport.

15. Regulatory Information This product is not classified as harmful in use under the CHIP Regulations. The information below is given as good handling advice.
